About 130 yachts were put on the Valkyrie's bottom.

The race tomorrow will be sailed over course No. 1—fifteen miles to windward or leeward and return, the turn being made at a stake boat fifteen miles from the starting and finishing lines, which will be an imaginary hawser drawn between the Scotland lighthouse and the lighthouse May.

The second race will be from the starting line two miles to and around a mark, thence ten miles to and around a second mark, and thence ten miles to the finish line, thus making a perfect triangular course.

Here are some of the figures of the two, which show their principal measurements:

A NEWSPAPER MAN

Connected With the Great Paper, the Albany Express.

Makes Statements Which the People Should Know and Understand.

They Will Interest Not Only the Newspaper Fraternity But Everybody.

The popular and well-known Thomas A. Lindsay, who is connected with the Albany Express, makes an interesting revelation.

Everybody connected with the newspaper has known of the facts for some time, and can vouch for their truth in every particular.

"For many years," said Mr. Lindsay, "I have been subject to severe cases of headache and nervousness at times almost enough to drive a man to insanity from pain, loss of sleep, etc."

"Medicines, narcotics, patent and proprietary did not give relief, and the ailment increased continually. Having read in the Albany Morning Express, at different times, the advertisements of Dr. Green's Nervura blood and nerve remedy, I concluded to try this remedy, and after the use of six or seven bottles, found not only relief, but almost a radical cure."

"The headaches are a thing of the past, while the terrible nervous spells have gradually become less and less until now I have little or none of them left and my sleep is natural and refreshing."

"I do not hesitate in saying that this remarkable change is entirely due to Dr. Green's Nervura blood and nerve remedy, and I heartily recommend it for ailments like my own, no matter what the cause of them."

"It is a fact that our great business and professional men are fast finding out the wonderful invigorating and strengthening powers of this most valuable discovery, Dr. Green's Nervura blood and nerve remedy. It is the medicine for the weak and nervous. It restores health to the sick."

"Its remarkable cure of Mr. Lindsay, after everything else had failed, makes another conscientious person restored to health by its use, to add to the long and constantly increasing list of prominent and well-known people who are almost daily publishing in the papers statements of their cures by this grand medicine."

"It is beyond all question the greatest cure of disease known at the present day, and is the very best medicine for blood and nerves. It is purely vegetable and harmless, and is sold by druggists for \$1.00."

"This great remedy is the discovery and prescription of the famous physician, Dr. Greene of 35 West 14th street, New York, who is the most successful specialist in curing nervous and chronic diseases in this country. We would add that the doctor can be consulted free, personally or by letter."
